

EXCHANGE CARDS FOR THE EUROPEAN DAY OF LANGUAGE

About the project

European Day of Languages!! Prepare some cards with your pupils in your mother language. Send them by the post in an envelope for each country involved. One card for one country.
IF WE ARE TWELVE COUNTRIES IT MEANS TO DO 12 CARDS

AIMS

pupils will learn the differences between many languages in Europe and will be able to compare them according to the same message in the different mother languages!

WORK PROCESS

Mine are (12-15) they are 25 pupils. Each school has to send a card to each other European school participating in the project in its mother language. Here is the message in English but if you are Spanish or Greek or other nationalities you write it in our mother language!

The message in English (I repeat I made it in French with my pupils because I'm French. But if you are Spanish, you write it in Spanish etc...

Hello my name is _____. I'm _____ years old. I live in _____ I speak (French) but I study English at school too! Happy European Day of languages 2018!

Of course what is in brackets has to be changed by the different countries.

As the time is quite short up to the 26th September, I propose you to write your e mail and the precise adress of your school please! **LIMIT DATE TO PARTICIPATE 20th Sept.** When we have all the addresses we send one card to each school by the post in an envelope!!! be ready??? so hurry up!

EXPECTED RESULTS

we can after receiving the cards do an exhibition in each school for the 26th September!! Don't worry if we receive the cards just two or three days after!!
